SUBJECT: Lifeline Reimbursement for Citizens Telecommunications Company of Utah

RE: Docket 11-999-04

The Division has reviewed and conducted a desk audit of the Semi-annual Lifeline Report and Request for Reimbursement of Citizens Telecommunications Company of Utah, pursuant to Rule R746-341-7(A), for the period of January 1, 2011 to June 30, 2011. The Division finds that the amounts claimed are reasonable and justified. The desk audit included a review of the amounts and numbers submitted on the invoice, a comparison to previous reports and discussions with the companies involved.

The administrative, advertising, voucher and other program expenses are based on a fixed amount of \$37.55 per month. Interest accrual amounts on Lifeline and Linkup funds were not requested for reimbursement. No outreach efforts were reported due to the agreement with the Division of Community & Culture and the Division of Public Utilities.

The Division recommends that the Commission disburse from the Universal Service Fund the amount equal to program expenses and discounts granted for **\$23,076.80 to Citizens Telecommunications Company of Utah.**
