RE: Docket No. 11-999-09. In the Matter of State Certification of Rural Carriers' Compliance with 47 U.S.C. Section 254(e)

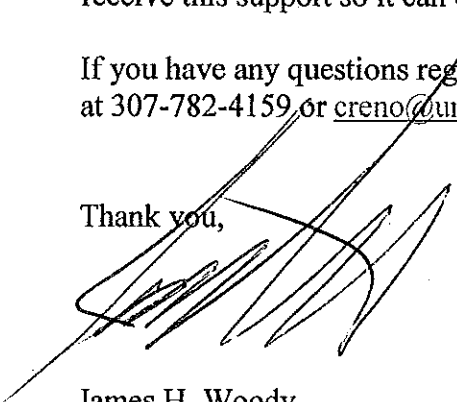

Dear Mrs. Orchard,

In reference to Docket Number 11-999-09, Union Telephone Company (Union ILEC, NECA company number 512297) hereby submits its certification of use of federal high-cost support. Per Memo 11-999-01 dated 8/2/2011, Union has also included the requested copy of its 2010 Final Part 36 study, and high cost support determination documentation as provided to the National Exchange Carriers Association (NECA).

Union receives such high cost fund support only for the provision, maintenance and upgrading of facilities and services for which the support is intended. The Company is seeking ETC designation again to continue to receive this support so it can continue those functions into the future.

If you have any questions regarding this matter or if you need additional information, please contact Chris Reno at 307-782-4159 or creno@unionwireless.com.

Thank you,

James H. Woody
Chief Financial Officer
