Re: Docket 08-035-55
Service Quality Standards –December 2011 Service Quality Review Report

In compliance with the Commission's June 11, 2009 order in the docket referenced above, Rocky Mountain Power submits the Service Quality Review Report for the period January through December 2011. Rocky Mountain Power reviewed the attached report in a meeting with the Commission and other interested parties on March 15, 2012.

As discussed at the March 15, 2012, meeting, Rocky Mountain Power believes the addition of new Section 2.4 to the report complies with ordering paragraphs 3 and 4 in above referenced order in this docket. Rocky Mountain Power also believes the attached report is in compliance with the agreements reached in and the resolution of the Utah 2003 Storm Inquiry – Docket No. 04-035-01.

It is respectfully requested that all formal correspondence and Staff requests regarding this matter be addressed to:
