**Re: Notice of Non-bid Contract with Line Inspection Services, Inc.**

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into an extension of a non-bid contract with Line Inspection Services, Inc., for \$3,000,000 over a two year period.

Line Inspection Services, Inc., is one of several vendors providing pole tests, treat, and inspection services for PacifiCorp. In February 2009, through a competitive bid and evaluation process, PacifiCorp entered into a three year master service agreement with Line Inspection Services to provide pole tests, treat, and inspection services. The contract with Line Inspection Services has been extended for an additional two years. A new competitive bid for pole tests, treat, and inspection services will be conducted prior to the end of 2013.

This sole source procurement contract was authorized on November 15, 2011, by Tim Adams, Director, Business Transformation.

Sincerely,

Jeffrey K. Larsen
