Re: Notice of Sole Source Contract with Computer Associates International

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source contract with Computer Associates. The estimated value of the contract is \$5,754,000 over the next five years.

PacifiCorp's Customer Service System (CSS) is built on and requires Computer Associates products to run. CSS would need to be replaced in order to remove the dependency on Computer Associates products. In addition to CSS mainframe products Computer Associates provides DB2 administration and support and system monitoring tools.

This sole source procurement contract was authorized on March 19, 2012 by Geoff Matthews, Vice President of Supply and Resource Procurement.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
