Re: Notice of Sole Source Contract with Doble Engineering

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source contract with Doble Engineering. The estimated value of the contract is \$744,000 over the next three years.

PacifiCorp currently leases eleven M4000 power factor test sets with accessories from Doble Engineering. The test equipment is used to perform specialized condition assessment testing of transformers, circuit breakers and other specialized high voltage substation equipment. Doble is the only known company that leases this equipment, other suppliers sale similar equipment at a much higher price.

This sole source procurement contract was authorized on December 28, 2011 by Karen Amabile, Director, Sourcing and Procurement.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
