Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source contract extension with Alstom Power, Inc. The estimated cost of the two year contract extension is \$5,500,000.

On July 12, 2004 a competitive contract was awarded to Alstrom Power, Inc. to provide the design and materials for NOX reduction modifications at thermal plants. The period of the contract was for five years with an option for two two-year extensions. This contract renewal exercises the second extension option extending the contract through February 15, 2014.

This sole source procurement contract was authorized on January 30, 2012 by Karen Amabile, Director, Sourcing and Procurement.
