Re: Notice of Sole Source Contract with Dynalectric

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source one year extension of a contract with Dynalectric. The estimated value of the contract is estimated to be \$1,400,000.

In 2009, PacifiCorp entered into a competitively awarded contract with Dynalectric to provide electrical services to the Company's hydro and thermal plants. The current contract expires December 31, 2012. This contract is being extended for an additional one year period with no increase in costs. The purpose of the extension is to align the contract expiration with other similar contracts and to aggregate the procurement of these similar services. A new competitive bid process for these services will be conducted during 2013.

This sole source procurement contract was authorized on August 3, 2012 by Rod Roberts, Managing Director, Generation Support.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
