RE: Universal Service and Speech/Hearing-Impaired Funds Status
Docket # 12-999-04

Attached for your information is the latest status report on the Utah Universal Service Fund and the Speech/Hearing-Impaired Fund. All reported amounts are proprietary.

The Universal Service Fund showed a balance of \$2,220,722 at the end of June, which was an increase of \$2,532,451 from the previous month. USF disbursements for the month totaled \$6,336, which was a refund of a USF fee over-payment. There were no Lifeline reimbursements during the month. Revenues for June totaled \$2,538,773. The fund balance has ranged between \$2.2 and -\$0.312 million for the last 12 months.

During the month of June, the Speech/Hearing-Impaired Fund had expenditures of \$112,948. This total includes \$101,347 for professional and technical services, \$8,003 for operating supplies and maintenance, \$1,846 for travel reimbursement. The fund balance at the end of June was \$2,179,480. This fund balance has generally declined slightly each month since September 2006 when it was at a high of \$4.4 million. The high and low fund balances for the past 12 months were \$2.2 and \$1.6 million respectively. Expenditures from this fund are used primarily for the training and education of interpreters and to provide special telephone equipment for the hearing impaired.
