RE: Universal Service and Speech/Hearing-Impaired Funds Status
Docket # 12-999-04

Attached for your information is the latest status report on the Utah Universal Service Fund and the Speech/Hearing-Impaired Fund. All reported amounts are proprietary.

The Universal Service Fund showed a balance of \$1,995,221 at the end of August, which was an increase of \$581,801 from the previous month. USF disbursements for the month totaled \$712,744. There were no Lifeline reimbursements during the month except an adjustment of \$586,550 from a previous year. Revenues for August totaled \$1,736,454. The fund balance has ranged between \$2.2 and -\$0.312 million for the last 12 months.

During the month of August, the Speech/Hearing-Impaired Fund had expenditures of \$52,978. This total includes \$46,490 for professional and technical services, \$4,849 for operating supplies and maintenance, \$1,175 for travel reimbursement. The fund balance at the end of August was \$2,453,115. This fund balance has generally declined slightly each month since September 2006 when it was at a high of \$4.4 million. The high and low fund balances for the past 12 months were \$2.5 and \$1.8 million respectively. Expenditures from this fund are used primarily for the training and education of interpreters and to provide special telephone equipment for the hearing impaired.
