SUBJECT: Lifeline Reimbursement for Central Utah Telephone

RE: Docket 12-999-04

The Division has reviewed and conducted a desk audit of the Semi-annual Lifeline Report and Request for Reimbursement of Central Utah Telephone pursuant to Rule R746-341-7(A), for the period of January 1, 2012 through June 30, 2012. The Division finds that the amounts claimed are reasonable and justified. The desk audit included a review of the amounts and numbers submitted on the invoice, a comparison to previous reports and discussions with the company involved.

The company requests reimbursement for administrative, advertising, voucher and other program expenses of \$360.00 for the period. The company did not request reimbursement for interest lost on the foregone revenue. No outreach efforts were reported due to the agreement with the Division of Community & Culture and the Division of Public Utilities.

The Division, therefore, recommends that the Utah Public Service Commission disburse from the Utah Universal Service Fund the amount of **\$6,054.50 to Central Utah Telephone** for program expenses and discounts granted during 1st half of calendar year 2012.
