RETRACT REQUEST TO OPEN DOCKET

To: Public Service Commission

From: Division of Public Utilities
Chris Parker, Director
Energy Section
Artie Powell, Manager
Matt Croft, Utility Analyst

Date: February 13, 2013

Subject: The Division of Public Utilities (Division) retracts its request filed on February 12, 2013 to open a docket for Rocky Mountain Power's (Company) forthcoming 2013 Energy Balancing Account (EBA) Audit.

RECOMMENDATION

The Division of Public Utilities (Division) retracts its request that the Commission establish a docket number with respect to the Company's forthcoming 2013 EBA filing.

DISCUSSION

The Division is currently in discussions with the Company concerning the transferability of data requests and data request responses between EBA dockets. The Division believes a reasonable solution will be achieved. As such, the Division retracts its February 13, 2013 request.
