Re: Notice of Sole Source Contract with EMC Corporation

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into sole source contract with EMC Corporation which exceeds \$500,000. The contract has a projected cost of \$735,185.

For compliance reasons, PacifiCorp contracted with EMC Corporation for an emergency purchase of 60TB of VMAX data storage equipment. EMC is the standard for the data storage equipment and is the only known provider/supplier who can meet PacifiCorp's documented standard. The purchase was made consistent with the terms of a 3 year pricing contract in place with EMC.

The sole source procurement contracts were authorized March 15, 2013, by Robert Metcalf, Sr. Director - Technology Management and IT Infrastructure Services.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation and Government Affairs
