**Re: Notice of Sole Source Contract with Nexant Inc.**

Commissioners:

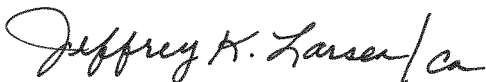

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source modification of a contract with Nexant Incorporated. The estimated value of the contract modification is estimated to be \$2,660,000.

Nexant provides trade ally commercial project management services to PacifiCorp under a previously competitively bid five year contract. The scope of that contract has been expanded to accomplish the goals set in the 2013 IRP action plan for DSM class 2 energy savings. The time frame to achieve these goals is not sufficient to conduct a new competitive bid process.

This sole source procurement contract was authorized on August 2, 2013 by Richard Walje, President, Rocky Mountain Power.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen  
Vice President, Regulation & Government Affairs
