**Re: Utah Docket No. 13-999-06, In the Matter of State Certification of Rural Carriers' Compliance with 47 U.S.C. Section 254(e)**  
**CC Docket No. 96-45, In the Matter of Federal-State Joint Board on Universal Service**  
**Annual State Certification Pursuant to 47 C.F.R. §54.314**  
**Correction to previous memo dated November 25, 2013**

**ISSUE:**

Pursuant to 47 C.F.R. Paragraph 54.314, the Public Service Commission (Commission) is required to certify that all rural carriers within its jurisdiction will use federal USF "only for the provision, maintenance, and upgrading of facilities and services for which the support is intended," as required by 47 U.S.C. 254(e). This certification may be in the form of a letter to the FCC regarding the carriers' compliance and is due to the Federal Communications Commission (FCC) and Universal Service Administrative Company (USAC) by December 16, 2013 clearly referencing **WC Docket No. 10-90**.

**CORRECTION:**

The Division of Public Utilities inadvertently stated that the Commission had received a self-certification cover letter from each of the companies being certified. The Commission received only the FCC Form 481 from each of the companies as required. This correction does not change the previous Division recommendation.
