Re: In the Matter of AT&T's Over-Collection of USF (Docket No. 13-999-08)

Dear Ms. Bopp,

On October 29, 2013, AT&T notified the Division of Public Utilities ("Division") it discovered an error in AT&T's reporting of intra-state revenues, resulting in an over-payment of \$12,422.82 into the Utah Universal Service Support Fund ("UUSFF"). AT&T proposed to the Division that it be allowed to deduct that amount from its next monthly UUSFF remittance. On November 14, 2013, the Commission received a memorandum from the Division explaining the circumstances of the error and recommending the Commission allow the proposed course of action. The Division further proposed the Commission require AT&T to include a note with the reduced remittance explaining the reason for the reduction. With this letter, the Commission approves the proposed course of action and allows AT&T to apply a credit of \$12,422.82 to its next UUSFF remittance to be accompanied with a written explanation for the reduced remittance.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at gwiderburg@utah.gov.

Sincerely,

/s/ Gary L. Widerburg
