Re: Notice of Sole Source Contract with Washington Department of Fish and Wildlife

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a source contract with the Washington Department of Fish and Wildlife which exceed \$500,000. The contract has a projected cost of \$1,835,000 for 2014.

PacifiCorp owns fish hatchery facilities associated with its hydro projects in Washington. Washington state law requires that the Washington Department of Fish and Wildlife (WDFW) operate those facilities. Therefore WDFW is the only provider of these services.

This sole source procurement contract was authorized January 10, 2014, by Mark Tallman, Vice President Renewable Resources.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
