RE: Universal Service and Speech/Hearing-Impaired Funds Status
Docket # 14-999-05

Attached for your information is the latest status report on the Utah Universal Service Fund and the Speech/Hearing-Impaired Fund. All reported amounts are proprietary.

The Universal Service Fund showed a balance of \$4,694,548 at the end of August, which was a decrease of \$453,122 from the previous month. USF disbursements for the month totaled \$726,339. There were Lifeline reimbursements of \$204,171 taken in period 13 of the 2014 fiscal year. Revenues for August totaled \$273,217. The fund balance has ranged between \$5.3 and \$3.8 million for the last 12 months.

During the month of August, the Speech/Hearing-Impaired Fund had expenditures of \$78,040. This total includes \$50,146 for professional and technical services, \$6,994 for operating supplies and maintenance, \$2,787 for travel reimbursement. The fund balance at the end of August was \$3,864,370. This fund balance has generally declined slightly each month since October 2006 when it was at a high of \$4.4 million. The high and low fund balances for the past 12 months were \$4.1 and \$3.8 million respectively. Expenditures from this fund are used primarily for the training and education of interpreters and to provide special telephone equipment for the hearing impaired.
