UPDATED PUBLIC NOTICE

March 19, 2015

Subject: Pre-filing workshops sponsored by Questar Gas Company regarding its 2015 Integrated Resource Plan filing with the Public Service Commission of Utah.

IRP Workshop Dates:

Wednesday, March 25, 2015 – Confidential Meeting – Potential topics include an update of Wexpro activities including its proposed drilling program and compression, a review of Questar's upstream gathering and transportation contracts, future interchangeability gas concerns, and energy efficiency impact on peak day.

Monday, May 4, 2015 – Confidential Meeting – Potential topics include a review of: the 2014-2015 heating season including the use of natural gas storage aquifers, Questar's annual natural gas request for proposal, and Questar's activities associated with management of cost-of-service gas during the 2014 IRP year.

IRP Technical Conference:

Wednesday, June 24, 2015 – Post 2015 IRP Filing Technical Conference

Time: The IRP workshops and the Technical Conference will begin at **10:00 a.m.** and end at approximately noon.

Location: The IRP workshops will be held in **Room 401**, Fourth Floor, Heber M. Wells State Office Building, 160 East 300 South, Salt Lake City, Utah.

Purpose: Representatives of Questar Gas Company will present information at the workshops regarding development of the Company's 2015 Integrated Resource Plan. The public is invited to attend; however, they may be requested to excuse themselves during any portions of the March 25th and May 4th workshops deemed confidential if they have not executed a non-disclosure agreement. Representatives of the Public Service Commission, the Division of Public Utilities, and the Office of Consumer Services may also be in attendance.
