March 11, 2015

To Whom It May Concern,

This pipeline is regulated by the DOT and PHMSA, requiring an annual report to conform to the requirements of Title 49 of the Code of Federal Regulations parts 191 and 192.

The Company policies mandate compliance with all applicable legal requirements wherever business is conducted and providence of an environment where employees and contractors work safely. The following report contains procedures, information, and references that satisfy compliance with 49 CFR 191 and 192 Regulations.

Specific information about this individual pipeline systems/segments are included in the Pipeline Specific O&M Manual to be used in conjunction with the O&M Manual, Emergency Response Plan, and the Public Awareness Program.

This information is being given to your agency as part of compliance monitoring done by the State of Utah on behalf of the federal government. Please contact me at 435-823-3675 or David Bowden, Gas Services Foreman at 435-823-1801 if there are any questions about the information in the following report.

Sincerely,

A handwritten signature in blue ink that reads "Matt Guest".
