**Re: Docket Nos. 08-035-82 / 08-035-83 / 09-035-20  
Rocky Mountain Power Hourly Qualifying Facility Purchases Q4 2016  
Kennecott Smelter / Kennecott Refinery / Tesoro / US Magnesium**

In its December 23, 2009 order in Docket No. 09-035-20 approving qualifying facility sales from US Magnesium to Rocky Mountain Power (RMP), and in subsequent approvals, the Public Service Commission of Utah directed RMP to provide hourly power purchased under the power purchase agreement (PPA) on a quarterly basis. In accordance with that order, enclosed is a confidential CD that includes the hourly delivered energy from US Magnesium for the Q4 2016 period (October 1, 2016 through December 31, 2016). Similarly, the Company also provides hourly power purchased under the equivalent PPAs for Kennecott Smelter and Kennecott Refinery (Docket No. 08-035-83) and Tesoro (Docket No. 08-035-82). The enclosed information is confidential and provided under the terms of the protective order in these dockets.

It is respectfully requested that all formal correspondence and staff requests regarding this filing should be addressed to:
