Rocky Mountain Power Hourly Qualifying Facility Purchases Q2 2017
Kennecott Smelter / Kennecott Refinery / Tesoro / US Magnesium**

In its December 23, 2009 order in Docket 09-035-20 approving qualifying facility (QF) sales from US Magnesium to Rocky Mountain Power (RMP), and in subsequent approvals, the Public Service Commission of Utah (UPSC) directed RMP to provide hourly power purchased under the power purchase agreement (PPA) on a quarterly basis. In accordance with that order, RMP provides the hourly delivered energy from US Magnesium for the Q2 2017 period (April 1, 2017 through June 30, 2017). Similarly, the Company also provides hourly power purchased under the equivalent PPAs for Kennecott Smelter and Kennecott Refinery (Docket 08-035-83) and Tesoro (Docket 08-035-82). The enclosed information is confidential and provided under the terms of the protective order in these dockets.
