UPDATED PUBLIC NOTICE

March 9, 2017

Subject: Pre-filing workshops sponsored by Questar Gas Company and a post-filing technical conference regarding Questar's 2017 Integrated Resource Plan filing with the Public Service Commission of Utah.

IRP Workshop Dates and Times:

Thursday, March 23, 2017 from 10:00 a.m. until 12:00 p.m. – Confidential Information may be discussed – Potential topics may include Liquid Natural Gas (LNG) storage facility options as well as issues related to excess flow valves.

Thursday, April 20, 2017 from 1:30 p.m. until 4:00 p.m – Confidential Meeting – Potential topics may include a review of the 2016-2017 heating season and presentation of the results of Questar's request for proposal for gas supplies, Wexpro's drilling and compression plans, and the 2016 IRP variance (Sendout vs. Actual).

IRP Technical Conference:

Tuesday, June 27, 2017 from 10:00 a.m. until noon – Post 2017 IRP Filing Technical Conference.

Location: All workshops will be held in **Room 401**, Fourth Floor, Heber M. Wells State Office Building, 160 East 300 South, Salt Lake City, Utah.

Purpose: Representatives of Questar Gas Company will present information at the workshops and technical conference regarding development and results of the Company's 2017 Integrated Resource Plan. Portions of the March 23rd and April 20th workshops during which confidential information is presented may be closed to meeting participants who have not executed a non-disclosure agreement.
