PSC,

On October 24, 2017, Raft River Rural Electric Cooperative(RREC) sent the PSC a listing of all unclaimed capital credits for our Utah members. In that email I stated that it is my understanding that RREC is to report unclaimed capital credits to your office under the Utah Code 54-3-26. I also understand that we are to retain the funds until such person(s) come forward to claim their monies. Please let me know if this is correct. I want to make sure that we are reporting correctly.

After speaking with Justin today, he indicated that I need to let the PSC know that under the Utah Code 54-3-26 part 3, if RREC was doing any of the items listed. We are not at this time. RREC is actively trying to find these people so we can refund their monies.

Please let me know if I need to do anything further.

Thank you and have a wonderful day.

Andrea
