Re: Tree Removal, Docket No. 18-999-01, "Miscellaneous Correspondence and Reports Regarding Electricity Utility Services; 2018"

Dear Mr. Judd:

The Public Service Commission ("PSC") received notification on May 21, 2018 from Governor Herbert's office concerning the removal of the pine tree located at 572 E. Canyon Rd., Payson, Utah. The PSC's initial impression is that this dispute relates to real property rights generally outside the PSC's jurisdiction. However, if the landowners disagree or otherwise believe a basis exists for the PSC to exercise jurisdiction and afford them a remedy, the PSC will, of course, consider any appropriately filed request for agency action or customer complaint.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
