**Re: Docket No. 18-999-01
Notice of Non-Competitive Procurement with General Electric International, Inc. and
Vestas-American Wind Technology, Inc.**

Commissioners:

In accordance with PacifiCorp's ("Company") Procurement Policy, the Company must report to the Commission purchases of goods or services exceeding \$1,000,000 that are not competitively bid. This letter hereby serves as notice that PacifiCorp has entered into non-competitively bid contracts with General Electric International, Inc. ("GE") and Vestas-American Wind Technology, Inc. ("Vestas") for work related to the repowering project that was approved by the Commission in Docket No. 17-035-39.

Pursuant to PacifiCorp's Procurement Policy, a supplier may be awarded a contract on a non-competitive basis under certain circumstances, such as when competitive bidding is impossible or impractical, or when otherwise a non-competitive procurement has been demonstrated to be in the best interest of the Company. PacifiCorp has entered into a contract for approximately \$553.0 million, including taxes, with GE for repowering at the Company's wind plants, including Dunlap I, Glenrock I, Glenrock III, High Plains, McFadden Ridge I, Rolling Hills, Seven Mile Hill I and Seven Mile Hill II. PacifiCorp has also entered into a contract for approximately \$163.8 million, including taxes, with Vestas for turbine supply associated with repowering at the Company's wind plants, including Marengo I and Marengo II.
