Re: Request for Extension of Time

Docket No. 18-999-01, Notice of Non-Competitive Procurement with General Electric International, (GE) and Vestas-American Wind Technology, Inc. (Vestas).

Issue/Request

On August 23, 2018, the Commission issued an Action Request due by September 24, 2018 to the Division to investigate the non-competitive procurement of GE and Vestas equipment.

The Division is waiting on more information concerning the procurements, in order to determine if the non-competitive procurements are in the best interest of PacifiCorp and its customers. Therefore, the Division requests the Commission to extend the due date to October 4, 2018.
