On December 21, 2017, Dominion Energy Questar Pipeline, LLC (DEQP) filed with the Federal Energy Regulatory Commission (Commission) a Prior-Notice application, Docket No. CP18-31-000, under DEQP's blanket certificate to modify existing facilities and install surface and subsurface facilities located at its existing Clay Basin storage facility, in Daggett County, Utah (the Clay Basin Delivery Project), as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed at the Commission's website via the link below.
