CORRESPONDENCE FROM COY D. PORTER, STATE FIRE MARSHAL, RE: THE EXPANSION OF NATURAL GAS SERVICE IN UTAH Miscellaneous Correspondence and Reports Regarding Gas Utility Services; 2018

This is a request for the Division of Public Utilities (DPU) to provide analysis, evaluation results, and the basis for conclusions and recommendations regarding the following:

- Review for Compliance and Make Recommendations
- Review the Complaint and Indicate whether the DPU has a Recommendation
- Review Notice and Make Recommendations
- Review Request for Agency Action and Make Recommendations
- Investigate
- Other – Explanation and Statement of Issues to be Addressed (See Below):

Please evaluate the requirements and requests presented in the letter from Utah State Fire Marshal Coy D. Porter. Report the DPU's reasoning and conclusions concerning whether enforcement of the referenced code provisions against consumer owners of propane tanks who transition to natural gas service is within the jurisdictional authority of the PSC or the DPU. In particular, please identify any statutory or code requirements "that assign responsibility to the natural gas utility for safely removing ... consumer owned [propane] tanks from the site [i.e., the consumer's property]." (Porter Letter, pg. 2.).

*In the event the Commission issues an order or notice providing dates for comments and/or testimony in this docket:

- The Division shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
