Request of Gold's Landscaping for Arbitration

DOCKET NO. 19-999-15

NOTICE

ISSUED: January 9, 2020

On November 25, 2019, the Public Service Commission (PSC) received a request for arbitration, indicating Gold's Landscaping ("Gold's") sought arbitration relating to damaged lines of Utopia Fiber at the residence of homeowner Mike Mower pursuant to Utah Code Ann. § 54-8a-13.

The PSC provides administrative support to the Underground Facilities Damage Dispute Board ("Board"). In that role, the PSC issued a Notice Regarding Request for Arbitration ("Notice") on November 26, 2019, asking interested parties to submit additional information regarding the dispute, including whether the parties agree to arbitration, to the PSC by December 16, 2019. The Notice explained the PSC would forward any information it received to the Board.

On December 3, 2019, the PSC received an e-mail from Gold's representing it did not initiate the arbitration, that Mr. Mower mistakenly initiated the process, and that Mr. Mower intended to "try to get it removed." The PSC received no other comments or information.

Accordingly, the PSC gives notice it does not intend to forward the request for arbitration to the Board until and unless it receives an indication that the parties agree to arbitration.

DATED at Salt Lake City, Utah, January 9, 2020.
