Re: PacifiCorp Notice of Affiliate Transaction  
Docket No. 05-035-54

Dear Mr. Widerburg:

Pursuant to Commitment U3(2), incorporated in the Public Service Commission of Utah's *Report and Order* approving the *Acquisition of PacifiCorp by MidAmerican Energy Holdings Company*, issued January 27, 2006, as amended March 14, 2006, and June 5, 2006, PacifiCorp hereby provides notice of ongoing ordinary course affiliate interest transactions with Parts & Service Solutions to purchase protective masks necessary for its COVID-19 preparedness efforts. The purchase of the protective masks will occur via two purchase orders, the terms of which include PacifiCorp's Purchase Order Standard Terms and Conditions (Agreement). A copy of the Agreement is included as Confidential Attachment A. The Confidential Attachment contains commercially-sensitive information and is submitted as confidential.

PacifiCorp is a wholly-owned, indirect subsidiary of Berkshire Hathaway Energy Company (BHE). BHE is a subsidiary of Berkshire Hathaway, Inc. (Berkshire Hathaway). Berkshire currently holds a majority interest in Pilot Co (Pilot Flying J), and Parts & Service Solutions is a subsidiary of Pilot Co (Pilot Flying J). Therefore, Berkshire Hathaway's ownership interest in Pilot Co (Pilot Flying J) creates an affiliated interest between PacifiCorp and Parts & Service Solutions in some PacifiCorp jurisdictions.

PacifiCorp has an obligation to provide safe and reliable service to its customers. The company also has an obligation to protect its employees and to provide them with personal protective equipment when necessary. Entering into the Agreements with Parts & Service Solutions is in the public interest because it supports the company's COVID-19 preparedness efforts and allows it to provide certain employees with protective masks, when needed, so they

can safely perform their work. Having protective masks minimizes any potential exposure to the COVID-19, which in turn helps to maintain a healthy workforce and service reliability. If employees do not have adequate protective equipment, it could negatively impact PacifiCorp's ability to meet customer needs.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Timothy K. Clark
