Re: Sigurd Solar LLC, Docket No. QF15-1085-\_\_\_\_\_

Dear Secretary Bose:

Sigurd Solar LLC (“Sigurd Solar”) is developing a solar photovoltaic electric generation facility (“Project”) in Sevier County, Utah. The Project is self-certified in the above-referenced docket as a Qualifying Facility (“QF”) pursuant to the Public Utility Regulatory Policies Act of 1978.

Sigurd Solar has determined that it is not necessary to maintain the Project’s QF status at this time. By this letter, Sigurd Solar notifies the Federal Energy Regulatory Commission that it hereby relinquishes the Project’s QF status.

Please contact the undersigned with any questions regarding this matter.

Respectfully submitted,

/s/Emil J. Barth
