Re: *Miscellaneous Correspondence and Reports Regarding Telecommunications Utility Services; 2020 (LCR Telecommunications, Requested Certification Cancellation); Docket No. 20-999-03*

Dear Ms. Purcell,

On December 9, 2020, RTC Associates, LLC, on behalf of LCR Telecommunications, LLC ("LCR"), filed with the Public Service Commission (PSC) a request to cancel LCR's certification effective October 31, 2020. On January 7, 2021, the Division of Public Utilities (DPU) filed a memorandum recommending the PSC take no action.

DPU explains that LCR is a registered telecommunications reseller which neither needs nor holds a Certificate of Public Convenience and Necessity ("Certificate"). DPU states therefore, that there is no Certificate for the PSC to cancel. DPU also notes that it will update its files to show that LCR has ceased operations in the State of Utah.

Consistent with DPU's explanations, the PSC acknowledges LCR's filing and takes no further action.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
