Date: July 8, 2021
Subject: Docket 21-999-01: Interwest Comments on Attendee List for Confidential
Technical Conference (CAISO rule change)

In the Matter of: Miscellaneous Correspondence and Reports Regarding Electric
Utility Service - 2021

Interwest Energy Alliance (Interwest) submits these comments in response to the Public Service Commission's June 30, 2021 "Second Notice of Confidential Technical Conference" inviting interested parties to participate in a conference on CAISO rule changes and to submit a list of individuals that have completed a non-disclosure agreement (NDA) with Rocky Mountain Power who wish to attend. Interwest requests that the following staff member be admitted to the technical conference on July 12, 2021:

- Nate Blouin, Interwest Policy Manager, nate@interwest.org

Interwest appreciates the opportunity to participate and requests that information regarding the conference be sent to the aforementioned staff member.
