Re: **Docket No. 21-999-01**, PacifiCorp's Notice of Affiliated Transaction with BHE
Wind, LLC: Request for Extension

Recommendation (Request for Extension)

The Division requests an extension in the above captioned docket. The Division does not yet have the information it needs to evaluate the affiliate transaction; in addition, the testimony in the Major Plant Addition docket (Docket No: 21-035-42—Rocky Mountain Power's Application for Alternative Cost Recovery for Major Plant Additions of the Pryor Mountain and TB Flats Wind Projects) may have some bearing on this issue. The Division suggests an Action Request due date of December 21, 2021, which is approximately 60 days after the current due date of October 21, 2021.
