Pursuant to Utah Code Ann. § 52-4-207, on this January 25, 2021, the chair of the Public Service Commission (PSC) makes this written determination that, due to the COVID-19 pandemic and the continued risks of transmission in Utah, the PSC intends that this public meeting will be a virtual meeting without an anchor location. An anchor location would provide a substantial risk to the health and safety of those who may be present at the anchor location.

Purpose: Dominion Energy Utah will provide an update on its cybersecurity planning efforts.

The public is invited to attend as well as representatives from the Public Service Commission, the Division of Public Utilities, and the Office of Consumer Services.
