Dear Commissioners:

Pursuant to Utah Code Annotated § 54-4-27, Questar Gas Company dba Dominion Energy, (Dominion Energy) hereby notifies the Utah Public Service Commission (Commission) that on November 19, 2021, the Board of Directors of Dominion Energy declared a gas dividend of \$50 million payable pro rata to the record holder of Dominion Energy's common stock at the close of business on December 17, 2021. The date fixed for payment of this dividend is December 20, 2021.

Dominion Energy will publish notice of this dividend in the Deseret News and will furnish the Commission with proof of such publication.

Additionally, pursuant to paragraph 50 of the Settlement Stipulation approved on August 15, 2016 in Docket 16-057-01, the Company has attached a cash flow summary as DEU Exhibit 1 and proforma capital structure as DEU Exhibit 2 that shows the effect of the dividend distribution on the Company's debt and equity components. As the exhibits show, this dividend distribution will not have a negative impact on the Company's financial strength and the equity component of the capital structure will remain above 45% after the distribution.

Sincerely,
