This is a message from Vesta Solutions. A service disruption was resolved with potential impact to 9 1 1 call delivery and or A L I Automatic Location Identification. A root cause investigation is in progress. A customer support representative will provide additional information as available. Please contact Vesta Network and Security Operations Center at 1-844-373-6427 or Vesta [Outage@motorolasolutions.com](mailto:Outage@motorolasolutions.com).
