MEMORANDUM

To: Utah Division of Public Utilities

From: Public Service Commission of Utah
Gary Widerburg, PSC Secretary

Date: April 6, 2021

Subject: Extension of Time Requested, Docket No. 21-999-10

On April 5, 2021, the Utah Division of Public Utilities filed a memorandum requesting an extension of time to the action request deadline to gain additional data on how the change to prepaid wireless service fees will impact the Utah Universal Service Fund.

For good cause shown, the PSC grants the extension of the action request deadline from April 8, 2021 to April 15, 2021. The PSC endeavors to make surcharge changes effective on dates that are convenient to the industry, such as the first day of a quarter or fiscal year. In this instance, the PSC is targeting July 1, 2021, which would require a rule change to be submitted to the Division of Administrative Rules before April 30, 2021.
