**RE: PacifiCorp Notice of Affiliate Transaction  
Docket No. 05-035-54**

Dear Mr. Widerburg:

Pursuant to Commitment U3(2), incorporated in the Public Service Commission of Utah's *Report and Order* approving the *Acquisition of PacifiCorp by MidAmerican Energy Holdings Company* (MEHC), issued January 27, 2006, as amended March 14, 2006, and June 5, 2006, Rocky Mountain Power d.b.a. PacifiCorp hereby provides notice of an indirect affiliate interest transaction with Bank of America N.A. ("Bank of America") and Bank of New York Mellon Corporation ("BNYM"). PacifiCorp intends to engage these two banks as underwriters for an upcoming First Mortgage Bond issuance tentatively scheduled for November 2022. PacifiCorp solicited underwriting proposals from a number of sources. Several banks responded, including Bank of America and BNYM. The Company selected Bank of America as a passive underwriter and BNYM as one of 10 co-managers for this bond offering. The selection of Bank of America and BNYM was not influenced by Berkshire Hathaway's ownership interest.

PacifiCorp is a wholly-owned, indirect subsidiary of Berkshire Hathaway Energy Company (BHE). BHE is a subsidiary of Berkshire Hathaway, Inc (Berkshire Hathaway). Warren E. Buffett (an individual who may be deemed to control Berkshire Hathaway), Berkshire Hathaway, various subsidiaries of Berkshire Hathaway and various employee benefit plans of Berkshire Hathaway subsidiaries together held an interest in excess of five percent in each of Bank of America and BNYM. Therefore, Berkshire Hathaway's ownership interest in these banks may create an affiliated interest in some PacifiCorp jurisdictions.

As a public utility, the Company is expected to acquire, construct, improve, and maintain sufficient utility facilities to serve its customers adequately and reliably at reasonable cost. Issuance of Bonds are part of a program to finance the Company's facilities taking into consideration prudent capital ratios, earning coverage tests and market uncertainties as to the relative merits of the various types of securities the Company could sell. Accordingly, the transaction to which Bank of America and BNYM will be a party, is consistent with the public interest.
