Re: PacifiCorp Notice of Affiliate Transaction — PacifiCorp and U.S. Bank National Association  
Docket No. 05-035-54

Dear Ms. Noriyuki:

Pursuant to Commitment I 17(2), incorporated in the Idaho Public Utilities Commission Order No. 29973, issued February 13, 2006, as supplemented by Order No. 29998 March 14, 2006, in the above-referenced proceeding, approving the acquisition of PacifiCorp by MidAmerican Energy Holdings Company (now Berkshire Hathaway Energy Company or BHE), PacifiCorp hereby provides notice of an affiliated interest transaction with U.S. Bank National Association (USB).

PacifiCorp and USB entered into an affiliate agreement through a joinder to a master professional services contract for corporate payment card services between Berkshire Hathaway Inc., PacifiCorp's ultimate parent, and USB (collectively the Agreement). A true copy of the Agreement is included with this notice as Confidential Attachment A.

PacifiCorp is a wholly-owned indirect subsidiary of Berkshire Hathaway Energy Company. In turn, Berkshire Hathaway Energy Company is a direct subsidiary of Berkshire Hathaway Inc. (Berkshire). U.S. Bank National Association, is the wholly-owned banking subsidiary of U.S. Bancorp in which Berkshire currently has an approximate 6.42% voting ownership interest. Therefore, Berkshire's ownership of both Berkshire Hathaway Energy Company and U.S. Bancorp creates an affiliated interest relationship between their respective subsidiaries PacifiCorp and USB.

U.S. Bank National Association is engaged in the business of general banking. Commercial and consumer lending services are principally offered to customers within the company's domestic markets, to domestic customers with foreign operations, and to large national customers operating in specific industries. Its services include traditional credit products, credit cards and similar products. Berkshire issued a competitive bid solicitation for payment card services with USB emerging as the best bidder. As a joinder participant, PacifiCorp will benefit from lower costs and higher rebates compared to its existing contract(s) for the same services. This fiscal prudence will permit PacifiCorp to continue to reliably serve its customers and, thus this transaction with USB is in the public's interest.

The pricing included with the attached master professional services contract for corporate payment card services are confidential. This cost information, which, if disclosed to the public, could erode the company's ability to bargain with vendors in the future.

Please do not hesitate to contact me if you have any questions.

Sincerely,
