Re: *Miscellaneous Correspondence and Reports Regarding Telecommunications Utility Services; 2022; Docket No. 22-999-03*

Ms. Lewis,

On March 2, 2022, the Public Service Commission (PSC) received your correspondence concerning notification that iTalk Mobile Corporation has ceased its operations within the State of Utah and would like to withdraw its status as a public utility provider in Utah. The PSC does not regulate wireless services. As such, no further action is required.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
