**Re: Global Tel*Link Corporation
Notification of New DBA Name**

Dear Mr. Widerburg:

Global Tel*Link Corporation (the “Company”) respectfully submits this letter to notify the Utah Public Service Commission (the “Commission”) that the Company will operate under the new doing business as (“DBA”) name “ViaPath Technologies” in Utah. Enclosed is evidence of the DBA as registered with the Utah Department of Commerce. Please note, the legal name of the Company has not changed.

The Company is registered with the Division of Public Utilities as a toll reseller. Please update all Commission records to reflect the Company’s new DBA name.

The Company offers inmate calling services to correctional facilities in Utah, which allow incarcerated individuals to initiate telephone calls to their friends and family outside of the correctional facility. The DBA is reflected on the Company’s websites and interactive voice response (“IVR”) system. Only a handful of the Company’s customers receive regular monthly invoices (such as bail bondsmen, attorneys, etc.), and the DBA also will be reflected on those invoices.

If you have any questions regarding this filing, please contact the undersigned.

Respectfully submitted,

/s/ Angela F. Collins
