## **ELIGIBLE TELECOMMUNICATIONS CARRIERS' CERTIFICATION INFORMATION**

**Annual 47 CFR § 54.314 Certification of Eligible Telecommunications Carriers to the Federal Communications Commission and the Universal Service Administrative Company**

This is a request for the Division of Public Utilities (DPU) to review the following companies' certification information, perform analysis, and provide recommendations regarding 47 CFR § 54.314 Certification. Specifically, whether all federal high-cost support provided to such carriers within Utah (if any) was used in the preceding calendar year (2021) and will be used in the coming calendar year (2023) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.
