Docket No. RP23-1115

Dear Ms. Bose:

On September 29, 2023, Northwest Pipeline LLC ("Northwest") submitted for filing with the Federal Energy Regulatory Commission ("Commission" or "FERC") pursuant to Part 154 of the Commission's Regulations, revised tariff records to be included as part of its FERC Gas Tariff, Fifth Revised Volume No. 1. Due to an administrative oversight, the transmittal letter requested an effective date of November 1, 2023, while the metadata included with the tariff records contained an incorrect effective date of October 31, 2023. Northwest requests that the proposed tariff records filed be made effective November 1, 2023.

Respectfully submitted,

NORTHWEST PIPELINE LLC
