RE: Notice of Detariffing of Packet-Based and Higher Capacity TDM (Non-Ex Ante) Business Data Services
WC Docket Nos. 17-144, 16-143, 05-25

Dear Ms. Monteith,

All West Communications, Inc. - Utah, Study Area Code 502288, hereby provides notice to the Wireline Competition Bureau that the Company is detariffing its packet-based and higher capacity TDM (non-ex ante) business data services (BDS), effective July 1, 2023.

All West Communications, Inc. - Utah is a rate-of-return carrier that receives Alternative Connect America Cost Model II (A-CAM II) support and elected incentive regulation for its BDS offerings¹ effective as of July 1, 2020. This detariffing will apply to the entirety of the Company's service area in the state of Utah. All rates, terms, and conditions for non-ex ante BDS offerings will be provided upon request. All West Communications, Inc. - Utah will continue to offer lower capacity TDM transport and end user channel termination (ex ante) BDS under the incentive regulation framework in the Moss Adams FCC Tariff No. 1.

A copy of this notice is also being sent to existing customers of the affected services, the State of Utah Public Service Commission, the Governor of Utah, and the Special Assistant for Telecommunications at the Department of Defense.

If you have any questions, please do not hesitate to contact me.

Sincerely,
