Good Afternoon,

Attached please find Sage Telecom Communications, LLC's Annual Form 481. Due to an issue with the Universal Service Administrative Company's ("USAC") Form 481 filing system, the form incorrectly shows as not certified. Attached please also find a screenshot of the USAC website, showing the form as certified. If you would like to verify this issue with USAC, you can reach the Program Lead, Elizabeth Pertsevoi, directly at: epertsevoi@usac.org. We will submit a corrected copy of the Form 481 when forms showing correct certification information are available.

Please let me know if you have any questions. Thank you.
