RE: Notice of Detariffing of Packet-Based and Higher Capacity TDM (Non-Ex Ante)
Business Data Services
WC Docket Nos. 17-144, 16-143, 05-25

Dear Mr. Harkrader:

Direct Communications Cedar Valley, Study Area Code 500758, hereby provides notice to the Wireline Competition Bureau that the Company is detariffing its packet-based and higher capacity TDM (non-ex ante) business data services (BDS), effective July 1, 2024.

Direct Communications Cedar Valley, is a rate-of-return carrier that receives Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support and elected incentive regulation for its BDS offerings¹ effective as of July 1, 2024. This detariffing will apply to the entirety of the Company's service area in the state of Utah. All rates, terms, and conditions for non-ex ante BDS offerings will be offered on a contractual basis and available upon request. Direct Communications Cedar Valley will continue to offer lower capacity TDM transport and end user channel termination (ex ante) BDS under the incentive regulation framework in the National Exchange Carrier Association F.C.C. Tariff No. 6.

A copy of this notice is also being sent to existing customers of the affected services, the State of Utah Public Service Commission, the Governor of Utah, and the Special Assistant for Telecommunications at the Department of Defense.

If you have any questions, please do not hesitate to contact me.

Sincerely,

R. Michael Parrish
