Re: **Docket No. 24-999-08**, Lifeline Request for Reimbursement for TracFone Wireless, Inc. for the month of December 2024.

Recommendation (Approval)

The Division of Public Utilities (Division) has conducted a thorough desk audit of the Request for Utah Lifeline Discount Reimbursement submitted by TracFone Wireless, Inc. (Company), under Rule R746-8-403 (2)(a) for the month of December 2024. The delay was an oversight of the Company. The desk audit included reviewing the information provided by the Company and comparing it with information from the Universal Service Administrative Company (USAC) and other analyses. The Division finds that the amounts claimed equal discounts provided to subscribers are reasonable, justified, and fair. The Division recommends that the Public Service Commission of Utah disburse from the Utah Universal Service Fund **\$9,009.00**, with remittance to the following address:

TracFone Wireless, Inc.
P O Box 3103
Carol Stream, IL 60132-3103
