Re: Docket 24-999-05
Qwest Corporation d/b/a CenturyLink QC (SAC – 505107)
2023 Federal ETC Filing

Dear Mr. Widerburg:

On November 18, 2011 the Federal Communications Commission (“FCC”) released its *USF/ICC Transformation Order* in WC Docket No. 10-90 et al. With that Order, the FCC began a transition to a national framework for certification of Eligible Telecommunications Carriers (“ETCs”) and set forth a standard set of information that all ETCs must file with the FCC typically by July 1st of each year. The Order also required ETCs to provide the same information to the respective state commissions.

Annual ETC reporting requirements for recipients of federal high-cost support are contained in 47 C.F.R. § 54.313 of the FCC’s rules. For the reporting of most of the data and certifications required by 47 C.F.R. §§ 54.313 and 54.422, the FCC has developed a reporting template, Form 481, to be utilized by ETCs.

Mr. Gary Widerburg
Commission Administrator

Beginning with the filing due in July 2018, the FCC centralized filing of the FCC Form 481 such that one filing is made with the Universal Service Administrative Company (USAC) and ETCs no longer file duplicate copies of FCC Form 481 with the FCC and with states, U.S. Territories, and/or Tribal governments. These filings are now provided to USAC through their online “E-File” portal and are available to state commissions through the portal. State commissions can contact USAC for additional information on obtaining FCC Form 481 information from the portal.

Consistent with past years, please certify to the FCC pursuant to 47 C.F.R § 54.314 by no later than October 1, 2024 for Qwest Corporation d/b/a CenturyLink QC (SAC – 505107) to continue receiving Lifeline support in Utah.

Please do not hesitate to contact Ken Buchan at 318-362-1538 if you have any questions regarding this filing.

Sincerely,

A handwritten signature in blue ink that reads "Max Backlund". The signature is fluid and cursive, with the first name "Max" and last name "Backlund" clearly legible.

Confirm Information

Check these boxes below to confirm that the attached PDF, on line 1210, or the website listed, on line 1220, contains the required information pursuant to Section 54.422(a)(2) annual reporting for ETCs receiving low-income support, carriers must annually report:

- Information describing the terms and conditions of any voice telephony service plans offered to Lifeline subscribers (1221)
- Details on the number of minutes provided as part of the plan (1222)
- Additional charges for toll calls, and rates for each such plan (1223)

1210 Terms & Conditions of Voice Telephony Lifeline Plans

CenturyLink, Inc. has 43 local exchange carriers (LECs) that serve as eligible telecommunications carriers (ETCs) providing Lifeline discounts on local telephone service for qualifying low-income customers in sixteen states. Each LEC's tariff or local terms of service contain the terms and conditions of voice telephony service plans generally available to CenturyLink residential customers. Lifeline provides discounts on CenturyLink residential service plans that include voice telephony service. Lifeline discounts provided to qualified recipients include the \$5.25 per month federal discount plus state discounts, if available. Tribal Lifeline recipients receive an additional federal Lifeline discount of up to \$25 per month. Eligible residents residing on Tribal lands in areas where CenturyLink receives universal service high-cost support can also receive a one-time Tribal Link Up credit of not more than \$100 against one customary service initiation fee at a primary residence.

CenturyLink's flat-rated residential voice service plans provide unlimited local calling. Lifeline discounts also may be applied to local residential service plans that include a certain number of local minutes or calls at a flat-rate and then have additional charges for minutes or calls beyond those included in the plan. Lifeline discounts may be applied to bundled service packages that include voice telephony services, such as bundles with internet service and/or video service. Lifeline discounts may also apply to voice service plans that include optional calling features such as caller ID, call waiting, and voicemail.

Toll service is available to customers receiving Lifeline discounts in the same manner that it is available to non-Lifeline customers. Toll limitation service is available to Lifeline customers at no charge.

Information concerning CenturyLink's Lifeline program can be found on our Lifeline web page at <http://www.centurylink.com/Pages/Support/LifeLine/>

A link to the CenturyLink tariff or local terms of service that includes the terms and conditions of this ETC's Lifeline offering is included in response to line 1220.
